

About this Research

Before you decide to take part in this study it is important for you to understand why the research is being done and what it will involve. Please take time to read this information and discuss it with others if you wish. If there is anything that is not clear, or if you would like more information, please email lucy.gwilliam@ons.gov.uk or call +44(0) 1633 456511.

The purpose of this research is to identify needs for comparing national and global Sustainable Development Goals data using Open SDG. The findings will be used to design and develop functionality that meets these needs.

The survey will take a maximum of 5 minutes to complete.

Your participation is completely voluntary, and you may withdraw from the research at any time without reason.

All personal data relating to you will be treated as confidential.
